- Team Name (Registered on portal): The Pathmakers

EDVISE

Proposed Solution :

Mobile/web app that acts as a **personalized career counselor for students** choosing streams and government colleges after Class 10-12.

Key Features

- **Smart Assessments** - Personalised Stream and course recommendation.
- **Career Mapping**- Visual paths from 11th till graduation.
- **Local College Finder**- GPS based finder.
- **Timeline Alerts** - Time to time updates. related to admissions,entrances and scholarships.
- **Offline Access** - Useful for students in rural area's to help access.

Innovation and Uniqueness

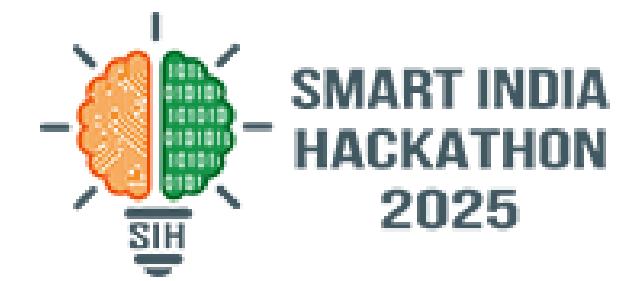

- Government College Focus
- Rural-First Design
- Real-Time Data

How It Solves the Problem

- **Confusion** → AI narrows choices to personalized recommendations
- **Information Gap** → Brings quality career counseling to rural students

TECHNICAL APPROACH

Frontend

- **Mobile:** Flutter
- **Web:** React.js
- **UI:** TailwindCSS

Backend

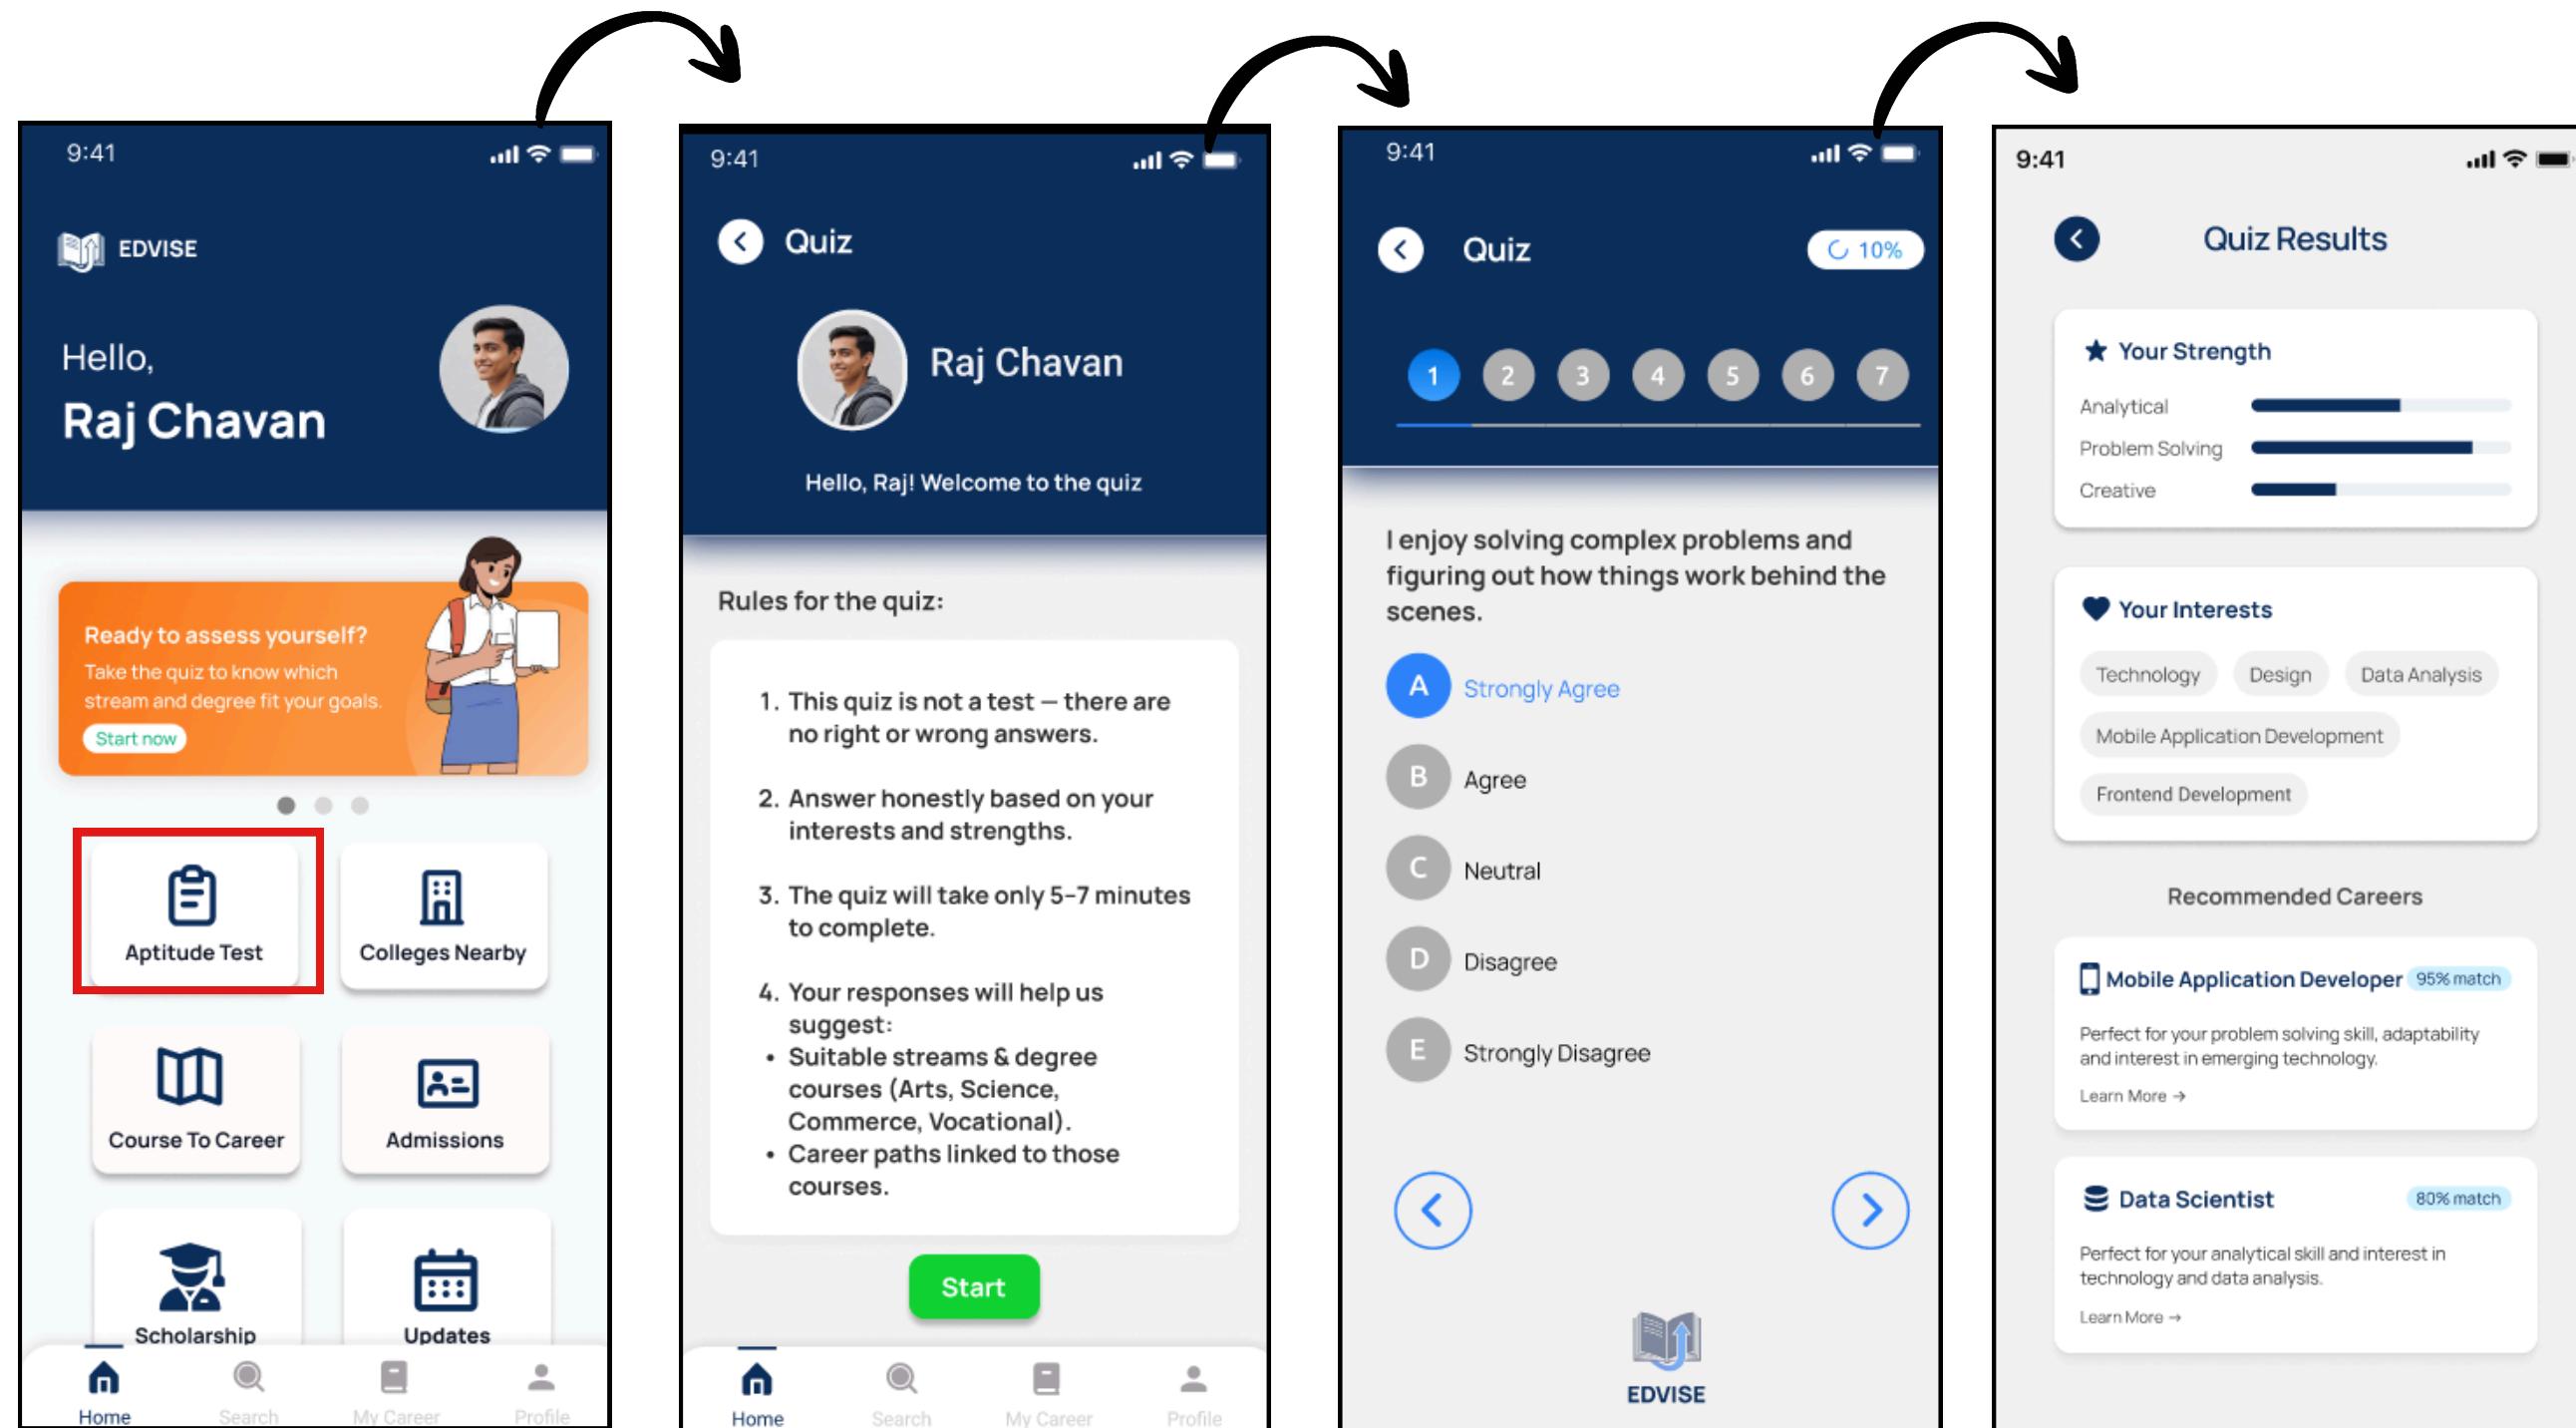

- **Server:** Python + FastAPI
- **Database:** MongoDB

AI/ML

- **Recommendation Engine:** Python with scikit-learn

Infrastructure

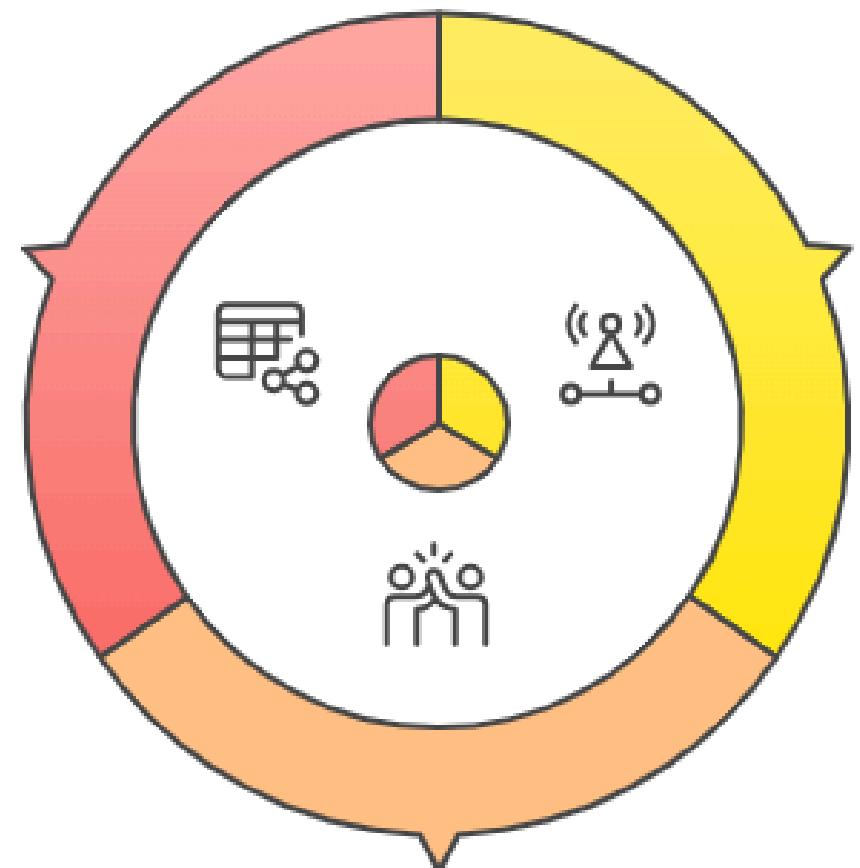

- **Cloud Platform:** AWS S3

FEASIBILITY AND VIABILITY

Unique Selling Points

Data
Validation from multiple sources and community.

Adaption
School partnerships and success stories.

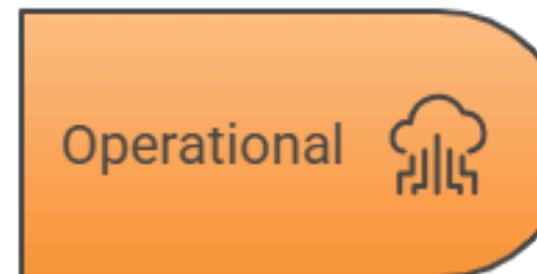

Connectivity
Offline functionality and SMS backup.

Feasibility Analysis

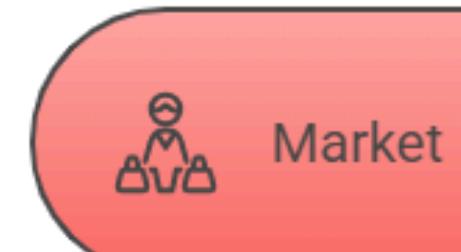

Technical

Cross platform mobile, offline PWA capability, open source, cloud based infrastructure.

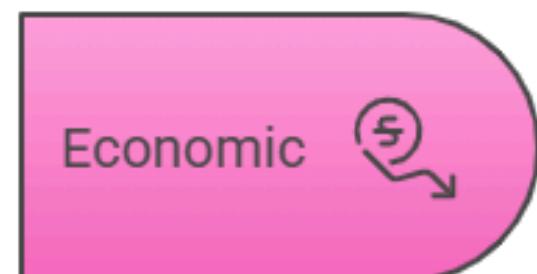

Operational

Cloud based, minimal infrastructure, automated system reduces manual work.

Market

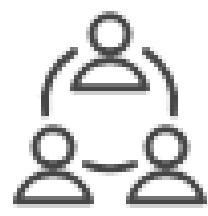

Easy to use platform will attract students market.

Open source infrastructure ensures reduced costs.

IMPACT AND BENEFITS

Benefits

Social

Focuses on education equity, youth empowerment, and digital inclusion

Economic

Aims for higher salaries, reduced dropouts, and workforce development

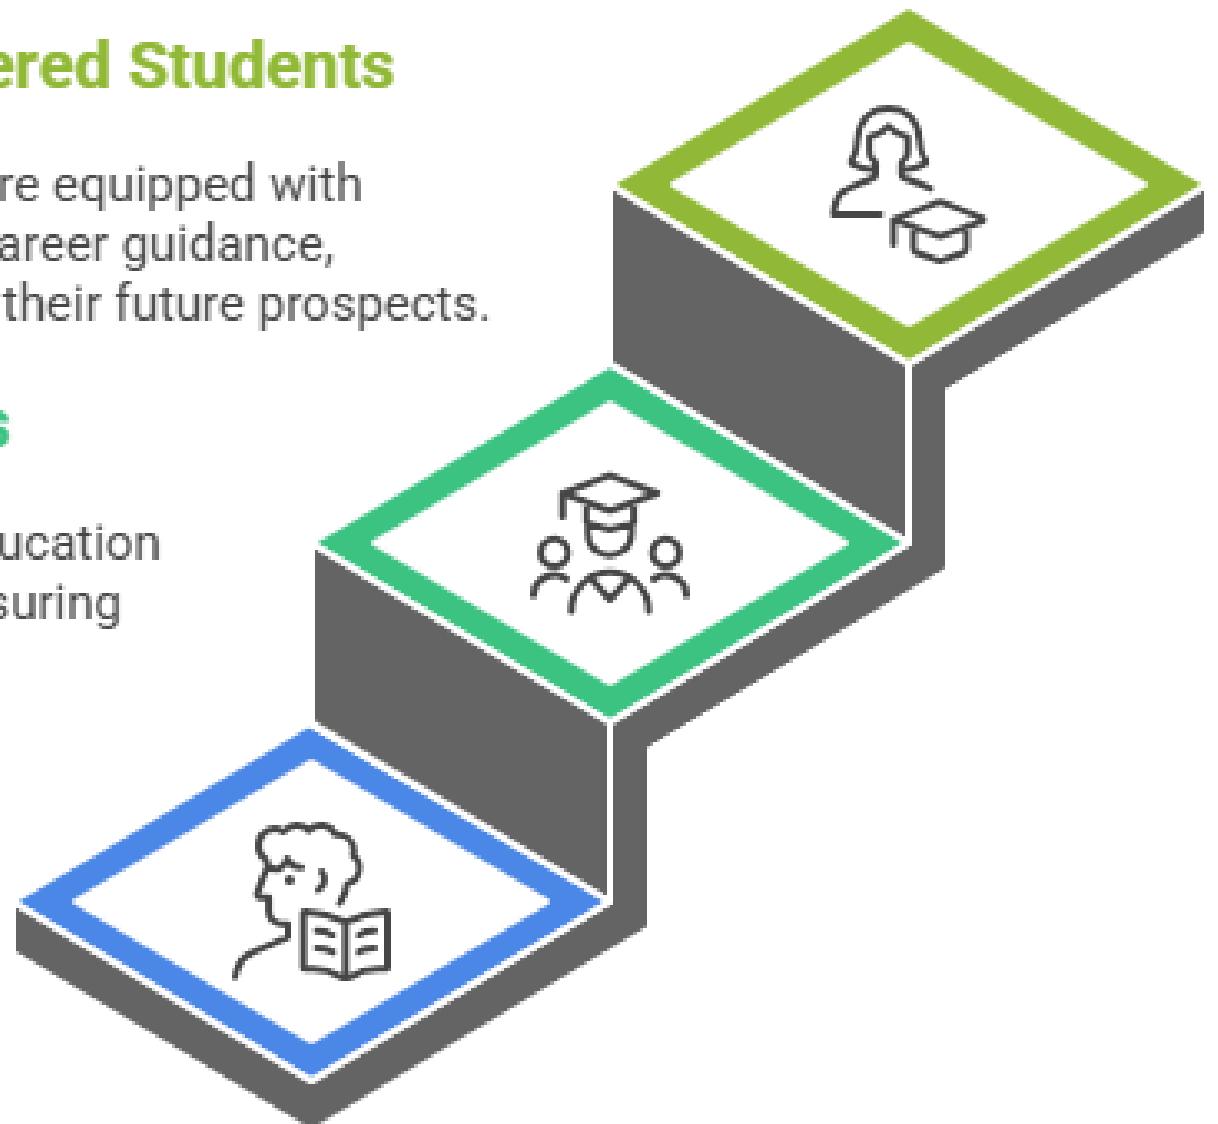

Environmental

Emphasizes reduced migration, digital-first approaches, and sustainable growth

Impacts

Empowered Students

Students are equipped with localized career guidance, enhancing their future prospects.

Reduced Dropouts

Fewer students leave education after key milestones, ensuring continued learning.

Informed Decisions

Students gain access to reliable academic guidance to make informed choices.
